

BRUCE ESKOVITZ JAZZ ORCHESTRA

Exciting and satisfying, intelligent, yet soulful, traditional but contemporary, the Bruce Eskovitz Jazz Orchestra brings together all that is good and true in jazz today. Their Invitation summons music fans to a rousing good time. One that can be enjoyed over and over again, and should not be missed! BEJO features world-renowned jazz masters, led by veteran saxophonist and composer Dr. Bruce Eskovitz, who combined the power and soul of a big band with the agility of a small ensemble, producing music that is as exciting as it is beautiful. Variety is at the center of the band's repertoire with original compositions and arrangements that cover the territory from Hard Bop to funk, and everything in between.

"If Stan Kenton were alive today, he'd no doubt be leading the applause for the Bruce Eskovitz Jazz Orchestra."

- Jack Bowers, *AllAboutJazz.com*

"ONE HELL Of A CD! ... The entire album shines with gorgeous charts and excellent performances from the band."

- Edward Blanco, *EJazznews.com*

"Eskovitz's arrangements and compositions blend the sunshine harmonies and cool counterpoint of the West Coast small bands of the 50's and 60's with a grooving, contemporary rhythm section style."

- Don Heckman, *Los Angeles Times*

"Dr. Eskovitz is quite the discovery. A wailing tenor player,,, with a full-bodied sound, he plays with a jolting urgency, as well as sensitivity. His compositions reflect the completeness and versatility of his playing: Adventurous, yet accessible; hard driving, yet full of dynamic contrast. His arrangements often are surprising, even stunning, in their originality."

- Bob Protzman, *Erie, PA Times-News*

"Eskovitz's arrangements and originals flow with a lyric often gritty grace..."

- Chuck Berg, *Lawrence Journal World*

"The leader's hot improvisation rocks the house with unbridled energy, as his orchestra follows suit with myriad harmonic layers."

- Jim Santella, *LA Jazz Scene*
